

Hello HWG Member!

In case you haven't heard, the Henderson Writers Group has a brand new website. We've made a lot of changes and, hopefully, it's a much better experience for everyone visiting.

With that said, the site is constantly evolving. Our next task is tackling the Members pages—and this is where it gets fun. We're building new member profile pages, complete with a short bio, picture AND...(drumroll please) each member's books front and center on their own page!

This is a great benefit to our paid members, especially those who don't currently have a website or are on Social Networking.

### **What We Need From You**

If you are a current member (read: dues for 2017 are paid) and would like to be included in the Author Library, fill out the information below and return it to Deb, either in person on Monday nights, or via email ([deb@bluesunstudio-inc.com](mailto:deb@bluesunstudio-inc.com)).

**NOTE: Please DO NOT send images in a Word.doc. Send ALL images as separate attachments.**

1. A brief bio (see the sample and take your best guess at word count)
2. A picture of you. You can email this to me and I'll size it for you. Those of you who can do it yourself, the portrait image is 600 x 600 px.
3. A list of your books and links for where to buy them.
4. Cover images for each book. Please make sure that each image is **at least** 300 x 450px
5. Links to your website(s) and social networking

Don't have a published book or cover yet? That's okay. Skip items 3-5. They can be updated later.

Once we have a half-dozen or so new member pages, the old member page will be taken down. If you already have a bio on there that doesn't need updating, let me know and I can pull that part of the information from there.

The current page with all the members' books on it will also be deleted.

You can find those pages here:

**Members' Books:** <http://hendersonwritersgroup.com/books-by-our-members/>

Feel free to ask me any questions at the Monday meeting or drop me an email.

Thank you and happy writing!
