

Hello HWG Member!

A benefit to paid members of the Henderson Writers Group is being represented as an author on our website. Data that you can post in your Member Profile Page includes a short bio, picture, social media links, and books!

What to Prepare

1. A brief bio. We're not setting a word count, but are relying on you to keep it *brief*.
2. A picture of you. Approximately 600 x 600 px.
3. A list of your books and links for where to buy them.
4. Cover images for each book. Please make sure that each image is **at least** 300 x 450px.
5. Links to your website(s) and social networking.

NOTE: Please **DO NOT** send images in a Word.doc. Send **ALL** images as separate attachments.

Don't have a published book or cover yet? That's okay. Skip items 3-5.
Send your compiled info to Webmaster@hendersonwritersgroup.com.
